There are two cases of voting as follows:

Case 1 For the shareholders attending the meeting in person, there shall be agenda items available for them to choose for voting. Then, the system shall show three buttons to click for voting, namely approval, disapproval or abstention. The choice of voting can be changed until the voting is closed.

Case 2 For the shareholders assigning their proxies to attend the meeting on their behalf, in the case where those assigning the proxies do not identify their choice of voting, the proxies shall have the right to consider casting votes as appropriate. In the case where those assigning the proxies identify their choice of voting in the proxy forms, the Company shall record their votes in the computer system upon the registration, and such votes shall be counted when passing relevant resolutions.

In counting votes and announcing the voting results, the Company uses the E-Voting system by Online Asset Co., Ltd. (Online Asset) at this E-AGM. For each agenda item, only disapproval and abstention votes shall be counted. Then, the disapproval and abstention votes shall be deducted from the total votes of those present at the meeting. The remaining votes shall be deemed as approval votes for that agenda item.

Online Asset shall count the votes for each agenda item and the responsible officer shall notify the shareholders of the voting results at the end of that agenda item. The Company shall give a summary of the voting results of each agenda item again. Such information shall be disclosed in the Company's website and reported to the Stock Exchange of Thailand (the "SET").

Timeline for the entry into transactions

Remarks:

Case 1 : If during the period of 29 June 2023 - 19 July 2023, there is an event of termination of the Share Purchase Agreement (such as the Sellers are in breach of any material clause thereof, or any representation or warranty is incorrect and is not rectified) and the Company will exercise the right to terminate the agreement, the Company will not take action and/or cancel the capital increase. The company will specify details in the notification letter of the allocation of newly issued ordinary shares which will be delivered to shareholders 5 business days prior to the subscription date.

Case 2 : If during the period after the registration of the paid-up capital increase until the Ownership Transfer Date, there is an event for the Company to terminate the Share Purchase Agreement, the Board of Directors of the Company will reconsider the purpose of utilizing the proceeds received from the capital increase and will present to the shareholders for further approval.

The Share Purchase Transaction, the Claim Transfer Transaction, and the Existing Shareholders Loan Repayment Transaction are regarded as the acquisition of assets pursuant to Notification of the Capital Market Supervisory Board No. Tor Jor. 20/2551 re: Rules on the Entry into Material Transactions Deemed as Acquisition or Disposal of Assets, dated 31 August 2008 (as amended) and the Notification of the Board of Governors of the Stock Exchange of Thailand re: Disclosure of Information and Other Acts of Listed Companies Concerning the Acquisition or Disposal of Assets, B.E. 2547 (2004), dated 29 October 2004 (as amended) (collectively referred to as the "**Notifications on Acquisition or Disposal of Assets**"). When the transaction size calculated based upon the total value of consideration basis is compared with the total asset value of the Company, the value will be equivalent to 56.46 percent based upon the total value of consideration basis. As the Company did not have any asset acquisition transactions over the past six months, which have not yet been approved by its shareholders meeting, that value is the Company's asset acquisition value. In addition, as that transaction value is equal to or more than 50 percent but less than 100 percent, it is regarded as type-1 asset acquisition transaction of a listed company according to the Notifications on Acquisition or Disposal of Assets. As a result, the Company has the duties to (1) disclose the information on the entry into these transactions; (2) appoint an independent financial advisor to provide opinions on the transactions as

required by the Notifications on Acquisition or Disposal of Assets (the independent financial advisor's report must be sent to the shareholders for consideration, along with an invitation to shareholders meeting); and (3) obtain approval from its shareholders meeting with a vote of not less than three-quarters of the total votes of shareholders attending the meeting and having the right to vote, excluding the votes of interested shareholders.

The foregoing transactions are not regarded as connected transactions, because the Sellers are not the Company's connected persons under Notification of the Capital Market Supervisory Board No. Tor Jor. 21/2551 re: Rules on Connected Transactions, dated 31 August 2008 and the Notification of the Board of Governors of the Stock Exchange of Thailand re: Disclosure of Information and Other Acts of Listed Companies Concerning the Connected Transactions, B.E. 2546 (2003), dated 19 November 2003 (collectively referred to as the "**Notifications on Connected Transactions**").

The aforementioned Share Purchase Transaction is regarded as an acquisition or acceptance of the transfer of businesses of other companies to the Company according to section 107 (2)(b) of the Public Limited Companies Act, B.E. 2535 (1992), and must be approved by a shareholders meeting of the Company with a vote of not less than three-quarters of the total votes of shareholders attending the meeting and having the right to vote, excluding the votes of interested shareholders.

The table below describes the sources of funds for the investment in the purchase of ordinary shares, the repayment of loans from the shareholders of KK and R9, and the completion of the construction.

| Sources of Funds^{/3} | Amount |
|--|-------------------------------|
| 1. Capital increase proceeds expected to be received from the offering of newly issued ordinary shares to the Company's existing shareholders in proportion to their shareholding, excluding those that would require the Company to fulfill legal requirements in different jurisdictions (Preferential Public Offering: PPO) | Approximately THB 623,650,456 |
| 2. Loan from a commercial bank that is acquired by the Company ^{/1} | Approximately THB 450,000,000 |
| 3. Loans from commercial banks that are acquired by KK and R9 ^{/2} | Approximately THB 840,000,000 |
| 4 Offering for sale of preference shares by R9 ^{/4} | Approximately THB 750,000,000 |
| Total | THB 2,663,650,456 |

- Remarks:
- 1/ The Company has received acceptance of a loan proposal from a financial institution. However, the Company is in the process of negotiating the conditions of a loan agreement with that financial institution in order to obtain favorable conditions in the best interest of the Company. This loan will be used to acquire the businesses.
 - 2/ The Company has received acceptance of a loan proposal from a financial institution. However, the Company is in the process of negotiating the conditions of loan agreements with several financial institutions in order to obtain favorable conditions in the best interest of the Company. These loans will be used to repay the loans from shareholders of KK and R9, and to complete the construction of the projects.
 - 3/ KK and R9 currently acquire loans of approximately THB 3.390 billion from commercial banks for the construction of the projects. The Company is the process of considering whether to continue to use the existing loans, or to change commercial banks (re-finance). The Company has already received acceptance of a re-finance proposal from a financial institution.
 - 4/ The Company has received acceptance from some interested investors in preferred shares, with NOBLE being one of those interested investors in preferred shares in accordance with conditions precedent of Share Purchase Agreement.

If the capital increase proceeds derived from the offering of newly issued ordinary shares to the Company's existing shareholders in proportion to their shareholding, excluding those that would require the Company to fulfill legal requirements in different jurisdictions (Preferential Public Offering: PPO), do not reach the expected amount stated above, the Company will use the proceeds from the issuance of preference shares, the additional loans from financial institutions, or the issuance of debentures, or may consider any other form of funds mobilization from its shareholders, as the funding source for its investments in accordance with the proceeds utilization plan.

Mr. Pumipat Sinacharoen explained further that the reason the Company entered into this transaction is to continuously generate income, so the shareholders can receive sustainable returns. The Company came up with a roadmap to recognize revenue from each project as following.

- In 2022, the Company recognized revenue from InterContinental Residences Hua Hin (“ICRHH”) project, amount of THB 2,108 million, leaving the remaining amount of THB 1,732 million to be recognized in 2023.
- In 2024, the Company will recognize revenue from VI Ari project, amount of THB 495 million.
- In 2025, the Company will recognize revenue from VEHHA Hua Hin project, amount of THB 2,290 million.
- In 2026, the Company will recognize revenue from ROMM Convent project, amount of THB 4,150 million.

In 2024 and 2025, the Company may face issue on insufficient growth of revenue recognition. Therefore, the Company has to purchase KK and R9 projects to fulfil the revenue to the Company. If the

Company purchases the 2 mentioned projects, it can recognize the revenue from KK project in 2024 amount of THB 2,104 million and from R9 project in 2025 amount of THB 6,519 million.

In this regard, the EGM will also be asked to consider and approve the delegation of authority to the Company's Chief Executive Officer or the persons designated by the Chief Executive Officer to consider and take actions pertaining to, or necessary for, the entry into the Share Purchase Transaction, the Claim Transfer Transaction, and the Existing Shareholders Loan Repayment Transaction; to negotiate and sign any amendments to the Share Purchase Agreement, and other agreements, contracts, and documents related to the Share Purchase Transaction, the Claim Transfer Transaction, and the Existing Shareholders Loan Repayment Transaction; as well as to prescribe the rules, conditions, and other details necessary for, and associated with, the Share Purchase Transaction, the Claim Transfer Transaction, and Existing Shareholders Loan Repayment Transaction, as necessary and appropriate under the applicable laws.

Mr. Pumipat Sinacharoen invited Mr. Tonsakul Prajakjit, the independent financial advisor from Silom Advisory Company Limited, to share opinions from the independent financial advisor on this transaction. Mr. Tonsakul Prajakjit reported opinions from the independent financial advisor as shown in the report of independent financial advisor's opinion on the asset acquisition of Proud Real Estate Public Company Limited (Enclosure 7) of the invitation letter to the Extraordinary Shareholders' Meeting.

Mr. Pumipat Sinacharoen opened for discussion, queries and suggestions.

Mr. Piyapong Prasartthong, the shareholder attended in person, had question about today's price of the Company's share which is at THB 1.69 and is lower than the price the Board of Directors offered for subscription. Mr. Piyapong asked if there are any shareholders already purchased and if it is against the law since the offering price is lower than the par value.

The legal advisor from Baker & McKenzie Ltd. replied that the offering of the Company's shares is not considered as the offering at low price and is not against the law. Since the Company will offer the newly issued ordinary shares to the Company's existing shareholders by way of Preferential Public Offering (PPO), this case is not applicable to the regulation on low price by the Office of the Securities and Exchange Commission ("SEC Office") and the Stock Exchange of Thailand ("SET"), which is different from the share offering by way of Private Placement. In addition, although the offering price is set higher than the current market price, it is still acceptable.

Mr. Piyapong Prasartthong asked further if showing the XR symbol today means specifying the subscription date for RO shares or not.

Mrs. Darin Kanjana, the financial advisor, explained to the meeting that showing the XR symbol today means specifying the subscription date for RO shares. As the record date to determine the list of shareholders eligible to subscribe RO shares will be on 30th June 2023, the date to display XR symbol is 29th June 2023.

As there wear no questions or suggestion. Mr. Pumipat Sinacharoen proposed the Meeting to consider and approve the acquisition of ordinary shares in Khu Khot Station Alliance Company Limited and Phraram 9 Alliance Company Limited from Noble Development Public Company Limited and TNL Alliance Public Company Limited, which is regarded as the acquisition of assets, as well as the delegation of related authority.

Agenda 5. To consider and approve the allocation of the Company's newly issued ordinary shares to the existing shareholders in proportion to their shareholding, excluding those that would require the Company to fulfill legal requirements in different jurisdictions (Preferential Public Offering: PPO)

Miss Nittaya Maetineewattanavong, Legal and Corporate Secretary, was assigned by the Chairperson to conduct this agenda.

Miss Nittaya Maetineewattanavong, stated to the meeting that, The Company wishes to allocate no more than 356,371,689 newly issued ordinary shares, with a par value of THB 1 each, by way of rights offering at the offering price of THB 1.75 per share, with the ratio of 1.8 old shares to 1 newly issued share. In

case there are any fractions, the fractions shall be discarded. These shares will be allocated to the existing shareholders in proportion to their shareholding, excluding those that would require the Company to fulfill legal requirements in different jurisdictions (Preferential Public Offering: PPO).

Shareholders may oversubscribe these newly issued ordinary shares. The existing shareholders who oversubscribe these shares will be allocated the oversubscribed shares only when there are remaining shares after the full allocation to the existing shareholders who exercise their subscription right, at the same price as the shares allocated under a rights offering scheme.

The details and method of the allocation of shares according to the subscription right are described below.

(1) If there are any remaining shares from the first round of allocation by way of rights offering, and the number of these shares is more than or equal to the number of shares oversubscribed by the existing shareholders, these remaining shares will be allocated to all the oversubscribing shareholders who have made full subscription payment according to the number of the oversubscribed shares.

(2) If there are any remaining shares from the first round of allocation by way of rights offering, and the number of these shares is less than the number of shares oversubscribed by the existing shareholders, these remaining shares will be allocated to the oversubscribing shareholders in accordance with the procedures described below.

(2.1) The allocation will be based upon the existing shareholding percentage of each oversubscribing shareholder. To determine the number of shares that each oversubscribing shareholder is eligible for, the existing shareholding percentage of that oversubscribing shareholder will be multiplied by the number of the remaining shares. However, the number of shares to be allocated will not exceed the number of shares oversubscribed and fully paid for by that oversubscribing shareholder.

(2.2) If there are any remaining shares after the allocation under item (2.1), these remaining shares will be allocated to each of the oversubscribing shareholders who have not yet been fully allocated in accordance with their existing shareholding percentage. To determine the number of shares that each oversubscribing shareholder is eligible for, the existing shareholding percentage of that oversubscribing shareholder will be multiplied by the number of the remaining shares. However, the number of shares to be allocated will not exceed the number of shares oversubscribed and fully paid for by that oversubscribing shareholder. The allocation of shares to the oversubscribing shareholders under this item (2.2) will be repeated until there are no more shares to be allocated.

In any case, the allocation of the oversubscribed shares as stated above may not result in any shareholders who oversubscribe newly issued ordinary shares holding shares up to or beyond the point at which

a tender offer is required as prescribed in Notification of the Capital Market Supervisory Board No. Tor Jor. 12/2554 re: Rules, Conditions, and Procedures for the Acquisition of Securities for Business Takeovers, or in violation of the restrictions on shareholding by foreigners as specified in the Company's Articles of Association. Currently, foreigners are allowed to hold in aggregate no more than 49 percent of the total shares sold of the Company.

In the allocation of newly issued ordinary shares to the Company's existing shareholders in proportion to their shareholding, excluding those that would require the Company to fulfill legal requirements in different jurisdictions (Preferential Public Offering: PPO), the Company's Board of Directors will have the right to exercise its discretion to not offer or allocate these newly issued ordinary shares to any individuals or subscribers, including any existing shareholders of the Company, in the United States and any other countries as the Company considers it appropriate. The Company will give notice if that offering or allocation of newly issued ordinary shares will or may potentially result in:

(1) a violation of any laws, rules, or regulations of Thailand or any foreign country, and/or the Company's Article of Association; or

(2) the Company having the obligation or duty to perform or undertake any additional acts, apart from those required by the laws or regulations regarding the issuance and offering of securities under Thai law; or

(3) non-compliance with the rules, procedures, or conditions specified in the offering or allocation of newly issued ordinary shares.

The Company may offer or allocate newly issued ordinary shares to any specific individuals or subscribers who are entitled to receive the allocation, subject to any exemptions available under foreign laws that are in effect and can be implemented at that time.

Furthermore, if there are remaining ordinary shares after the allocation to the Company's existing shareholders under a rights offering scheme, excluding those that would require the Company to fulfill legal requirements in different jurisdictions (Preferential Public Offering: PPO), and the allocation to oversubscribing shareholders, the Company may reduce its registered capital by cancelling the newly issued ordinary shares that remain after the offering.

In addition, the Board of Directors Meeting had a resolution to propose that the EGM Meeting consider and approve the delegation of authority to the Chief Executive Officer or the persons designated by the Chief Executive Officer to consider and take actions necessary for, or pertaining or incidental to, the capital increase and the allocation of newly issued ordinary shares of the Company, including, without limitation:

1. To determine, amend, or add any conditions and details relating to the issuance, offering, allocation, and subscription of newly issued ordinary shares, including, but not limited to, the allocation of

newly issued ordinary shares, either fully at one time or in several times, the number of shares to be offered, the offering period, the subscription, the payment for shares, as well as other conditions and details relating to the allocation of newly issued ordinary shares in accordance with the laws and regulations regarding the issuance and offering of securities.

2. To negotiate, agree on, and sign any relevant documents, contracts, or agreements; to perform any acts relating to the issuance and allocation of the aforementioned newly issued ordinary shares, including, but not limited to, the preparation and signing of any applications, notices, instruments, or documents relating to the capital increase and allocation of newly issued ordinary shares of the Company; to certify any relevant documents; to liaise with, file documents with, or receive documents from any officials or representatives of the relevant authorities; and to list the Company's newly issued ordinary shares as listed securities on the Stock Exchange of Thailand.
